Re: **WT Docket No. 01-315**; Assignment of Licenses from AT&T Wireless
PCS, LLC; Status Report

Dear Ms. Dortch:

By Public Notice dated February 12, 2002 (DA 02-331), the Federal Communications Commission ("FCC") approved the assignment of certain licenses held by AT&T Wireless PCS, LLC ("AT&T Wireless") to me. Those licenses were assigned to me by AT&T Wireless on April 11, 2002, and I entered into a Trust Agreement with AT&T Wireless on that day.

The Trust Agreement provides that I am required to file a report with the FCC 120 days following establishment of the trust setting forth my efforts to accomplish the divestiture contemplated by the Trust Agreement. The purpose of this letter is to satisfy that obligation of the Trust Agreement.

At this time, I have retained a broker, Daniels & Co. ("Daniels"), to represent me in offering for sale the licenses that are the subject of the Trust Agreement. Daniels has been soliciting offers for these licenses for the past month and the deadline for accepting offers was August 2, 2002. Daniels, in consultation with me, currently is evaluating the numerous offers received and engaging in further discussions with interested parties. We expect to conclude negotiations for most, if not all, of the licenses that are the subject of the Trust Agreement within the next four to six weeks.

Please contact me at the above address if you have any questions regarding this matter.

Sincerely yours,

David Michelman /s/
